

Sharon Goddard

Gold Road Resources - General Manager –
Social Performance & External Relations

Sharon joined Gold Road in June 2011 and has more than 20 years' experience in mining, agribusiness and legal. Her responsibilities include managing corporate aspects of the organisation, external affairs, native title, marketing, and day-to-day operations. Previously Sharon was Practice Manager for a newly merged Perth law firm Middletons and was instrumental in the fit-out and set-up of the new merged office including implementation of an IT solution, financial and human resources functions and risk and compliance. She has also worked for Wesfarmers as Executive Assistant to the Finance Director and assisted with investor relations briefings, presentations, and roadshows. Sharon holds a Master of Business Administration, is a graduate of the Australian Institute of Company Directors and has a Diploma in Financial Markets.

Matt Briggs

Odyssey Gold - Managing Director

Matt is a geologist with over 25 years' experience in Australia and internationally in various aspects of mine geology, exploration, project management and strategic leadership within the gold industry.

Recently Matt was the Managing Director of Prodigy Gold and Chair of the AMEC NT Advisory Committee before taking on a new role as MD and CEO of Odyssey Gold. Matt is a member of the AusIMM, and Australian Institute of Company Directors.

Vincent Algar

Australian Vanadium - Managing Director

Vincent is a geologist by profession with over 25 years' experience in the mining industry spanning underground and open cut mining operations, greenfields exploration, project development and mining services in Western Australia and Southern Africa.

He has significant experience in the management of publicly listed companies, currently acting as Managing Director of WA based Australian Vanadium Ltd.

Keren Paterson

Trigg Mining - Managing Director

Keren is an externally recognised mining industry leader with 20 years' international experience spanning the entire mining value chain. Her roles have involved greenfields exploration, feasibility studies, mine development, operations management, debt and equity financing, and mergers & acquisitions. Her passion for all things mining led her to launch a successful uranium exploration company on the ASX in 2009 and has taken her across the world in corporate and operational roles with Fortescue Metals Group, CopperCo, Resource Capital Funds, Mines and Resources Australia (Areva), MPI Mines, Outokumpu, Goldfields and RGC. Keren was a Telstra Western Australian Young Business Woman of the Year (2005) and holds a WA First Class Mine Manager Certificate of Competency.

Shannon McMahon

McMahon Mining Title Services – Director

Shannon has been a tenement manager since 1995 and the principal of MMTS since 2003. He advises clients on various compliance matters under mining legislation.

Shannon is passionate about the industry and is a long-time supporter of AMEC having sat on the Mining Legislation committee since 2003 of which he now chairs and has been a Councillor since 2013.

Joanne Palmer

Pitcher Partners - Executive Director – Audit |
Independent Non-Executive Director

Joanne has over 25 years of audit and assurance experience as an equity partner at a big four firm prior to joining Pitcher Partners. She has extensive hands-on experience in a variety of technical and commercial issues affecting clients on a day-to-day basis. Joanne has significant experience in the provision of audit services to listed companies, particularly those with overseas operations and has provided advice to Boards and senior management on listings on the ASX, AIM and SGX. Joanne is a fellow of the CAANZ and ICAEW, a registered company auditor, and in addition, sits on the boards of two public companies, as Chair of Audit Committee.
